ABSTRACT

This publication lists teacher education programs available within Nebraska's colleges and universities for the years 1999-2000. For the 17 institutions, the publication presents information on: level of program approval, degrees available, and graduate or undergraduate level. It also describes who the program is accredited by and who provides administration and supervision. For each institution, information is included regarding programs in the areas of: language arts, fine arts, general education, health and physical education, math, media, natural sciences, social sciences, pupil personnel, special education, vocational education, and other.
